

Aberdeen Union Street Conservation Area Regeneration Scheme

- Programme of Conservation Education and Skills Training Courses/Workshops -

The Use of Lime Mortar in the Conservation, Repair & Maintenance of Traditional Buildings

Thursday 27th & Friday 28th June 2019

Course Prospectus

COURSE DESCRIPTION:	<p>This 2-day "hands-on" Course, which is being presented by The Aberdeen Union Street Conservation Area Regeneration Scheme (CARS) will address the theory and practical use of Lime Mortar in the conservation, repair and maintenance of Traditional Buildings, Walls, and other Stone Built Structures.</p> <p>In addition to the importance of using the correct tools and materials, the Course will focus on mixing Lime Mortars, as well as the skills and techniques in its use in a wide range of applications, including pointing and harling. All tools and required course materials will be provided.</p>
DELEGATES:	<p>The Course will be of immense benefit to Architects, Building Surveyors and other Construction Industry Professionals in the Aberdeen Area, currently involved, or seeking to become involved, in the Repair, Maintenance and Regeneration of our Built Heritage.</p>
LOCATION:	<p>The Course is being held on RGU's Garthdee Campus at Kaim House, which is near the Business School where parking is available.</p>
NUMBER OF THOSE ATTENDING:	<p>14 Maximum</p>
CERTIFICATION:	<p>Those attending will receive a signed Certificate, acknowledging their successful completion of the Course.</p>
TIME:	<p>Arrival at 9.30am. The course will begin at 10.00am and finish at 4.00pm - both days.</p>
CATERING:	<p>Sandwich lunches, as well as tea, coffee and refreshments will be provided on both days. If you have any specific dietary requirements, please let us know.</p>
INSTRUCTION:	<p>The Course will be led by Hans Norling and Andy Newcombe, of Masonry and Lime, both of which are highly experienced in the use of Lime Mortars in a wide variety of applications. Over the past 17 years Hans and Andy have been involved project managing and leading teams of specialist masons working on major building conservation, repair and maintenance projects throughout Scotland.</p>
CLOTHING (PPE):	<p>Those attending the Course will be required to wear stout footwear and outdoor clothing. Masks, gloves and goggles will be provided.</p>
COURSE FEE:	<p>No fee will be charged for attending the course.</p>

REGISTRATION: Delegate places on the course will be on a first come first served basis and can be secured by registering with Eventbrite. If you require further information concerning this course please contact the Project Officer, on 01224 523958 or email UnionStreetCARS@aberdeencity.gov.uk
